International Internship in Turkey 2023: A Unique Opportunity

Let's dive into the details of the International Local Authorities Internship Program in Turkey. This international summer internship program has been running since 2012 and is organized annually by the [Union of Municipalities of Turkey](#) (UMT). The primary aim of this program is to provide international participants with valuable local governance training. Participants will gain insights through various instructions, hands-on experiences, practical examples, and field visits, including engaging social activities and trips to various cities across Turkey.

A Fully Funded Experience

Every year, the UMT offers international paid internships to students worldwide. The Union of Municipalities of Turkey is closely linked with the Turkey Government Scholarship Programs. The LOCALINTERNATIONAL Internship program invites participants from all corners of the world, with a particular focus on European, Asian, and Middle Eastern countries. It provides an international training environment where participants can learn from real-life examples, good practices, and municipal work.
